

Health & Safety Protocols Summer Dance Camps & Privates Lessons 2021

The Health and Safety of our dancers has always been our #1 priority. We have the opportunity to provide a safe space for dance camps to occur this summer and we would like to provide you with the details.

Please read below the following steps we will be implementing during the Summer Dance Camps at Panorama School of Dance

These measures are in conjunction with the latest Phase 3 reopening guidelines for British Columbia.

PRIOR TO CLASS

Primary goal: prevent anyone ill from being in our space

- If a student or teacher has any symptoms of illness they will be required to stay home.
- During class if a student is feeling ill, they must immediately call home and await their pick up in our waiting area.

ARRIVAL

Primary goals: social distancing and hand hygiene

- Students arriving will line up and be admitted 1 at a time through the drop off door and be instructed to travel immediately to the bathroom where they will wash their hands. From there they will proceed to the gathering/meeting studio.
- Dancers are asked to wear a mask when entering, exiting the building and when walking around common areas. Once in their dance and activity areas they can choose to remove it.

- We will leave the doors open as much as possible for air flow and for needless touching of door handles.
- Students are encouraged to bring only a small bag of personal belongings.
- We will have a 'starred' spot along a wall for the student to leave their belongings in the classroom.
- Nobody is permitted to wait in the lobby or building during classes.
- Parents are required to be punctual with drop off and pick up.
- There are hand sanitizers at the doors of every classroom that the students can use throughout their time at the camp.

CAMP TIME

Primary goal: provide space for safe dance and activity instruction

DANCE TIME

- Social Distancing will be used throughout the dance experience.
- Centre exercises will be done mostly in small groups, 1-4 at a time in order to ensure social distancing
- Teachers will instruct from an appropriate distance with no manual corrections, only verbal
- Teachers will wear a mask at all times unless they are fully vaccinated (2 weeks after their 2nd shot)
- Teachers will wipe down all barres and door handles between each class.

- There will be hand sanitizer and tissues in each classroom. If sneezing or coughing is observed, the teacher will encourage the student to wash hands with soap and water.
- Students will be required to bring their own water bottle, filled prior to entering the studio. Can refill when needed during the day.

CRAFT TIME

- Students will be placed at tables, spaced 6 feet apart.
- Students will have their own supplies, and will not have to share items.

LUNCH TIME

- Students need to bring their own lunch and will not be permitted to share with others.
- Students will wash their hands before and after lunch.
- We will have distance between students during eating time, but still encourage engagement and friendly interaction!

AFTER CLASS

Primary goal: social distancing

- Pick up your dancer from the designated pick up spot

Thank you for your patience and understanding as we create a positive, encouraging and safe environment for your child. As always we have their best interests at heart and want them to follow their dreams in a healthy and inspiring way.
