

## Volunteering Opportunities

In order to run our year-end show, we rely on parents to help with a number of different volunteer positions. Our show will not run smoothly without your help. Here is a list of opportunities where your help is needed.

**Dressing Room Supervisors:** At each show the students stay in the dressing room area of the Bell Centre theatre. Prior to the show, we assign a room to each class where they will check in once they arrive. The extra costumes will be hung in show order on a rolling rack in the dressing room, and the supervisor will check with the students to see if they will require any assistance with their costume change. The costume changes done in the dressing rooms will not be quick changes.

**Small Gym Helpers** We rent the small gym at the high school attached to the Bell Centre to use as a dressing room / holding area for several of our younger classes. In this area we supply colouring books and activities for the little ones to play. Our parent volunteers not only supervise these children, but will read to them, help with trips to the washroom and any costume changes. We will also have a few of our senior students who love to sit and play with the children as well

**Quick Change Room:** Volunteers will be required to organize costume changes in an efficient manner. This position requires some experience, and volunteers must be able to work quickly and efficiently in a fast-paced environment.

**Flower Sales:** This position is responsible for selling flowers in the theatre lobby prior to the show, during intermission, and after the show if there are any flowers left.
